Remarks and Recommendations of Junior Consultant (Biomedical) NHM:
This equipment is kept idle ^{noted} during my submission visit and observed that the same is flood affected and damaged ^{on 2018} and by mistake barcoded by M/s Cyrix. Registered the call and reported complete damage from Cyrix side. This submission is completely affected by flood and almost all lab equipments were flooded and damaged during that time. ^{January 24/6/24}
Not submitted any Quot. Asset value Rs. 15400/-

To,

CYRIX

Sir,

3 microscopes received from KMSCL were damaged in 2018 Flood. But CYRIX barcoded them and found them useless. In 2019 got a new microscope from KMSCL. It is currently being used in the lab. So these three microscopes are to be removed from the lab.
